8.1 Courses, number of laps to be sailed and the start line to be used will be posted on the official notice board not less than 20 minutes before the start of a race.

8.2 Courses may be shortened as follows, as the leading boat rounds a mark. Boats shall then round that mark and shall finish when they next race through an open line between the clubhouse flag pole and the white mark on the Anglesey shore at Moel y Don.

9.0 MARKS

9.1 The colours, shapes and fixed positions of the course marks are described on the plan of the racing area at the end of these Sailing Instructions

11.0 ALL IN, AVERAGE LAP RACES

11.1 All-in, average lap races will have a single start for fast and medium class boats, with each lap being completed by passing through the open finish line. The race will run until a boat completing a lap is finished with a double horn blast and a blue flag raised. Each boat will then be finished as it next passes through the open line to complete its current lap. Average lap time will then be calculated and corrected for handicap.

12.0 THE FINISH

12.1 12.1 The finishing line for shore based races will be between the Clubhouse Flag pole and the blue / yellow Finish mark.

12.2 12.2 The committee boat finishing line will be between the committee boat mast and the adjacent course mark.

16.3 Series races will not be postponed to a later date.

16.4 Race Officers shall count average points, as in RRS Appendix 10(a) , for races missed due to prearranged duty turns.

17.5 The race area is a busy recreational waterway. Competitors are warned that PWCs and groups of learners in sailing boats may not be navigating under full control. Competitors are strongly advised to keep well clear.

18.0 RISK STATEMENT

"The responsibility for a boat's decision to participate in a race or to continue racing is hers alone." Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

(a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event.

(b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore.

(c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions.

(d) Their boat is in good order, equipped to sail in the event and they are fit to participate.

(e) The provision of a race management team, patrol boats and other officials and volunteers by the club organisation does not relieve them of their own responsibilities.

(f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.

(g) It is the competitor's responsibility to familiarise themselves with any risks specific to the club sailing area.

19.0 INSURANCE

Each participating boat shall be insured with valid third party liability insurance with a minimum cover of £5,000,000.

20.0 PURSUIT RACES

20.1 For pursuit races these SIs will replace their equivalents in the main body of the SIs.

Start times for each class will be posted on the official noticeboard.

The first class will start as per Rule 26. Subsequent class starts will be signalled by a sound signal without a visual signal.

12.0 THE FINISH

12.1 Pursuit races will be finished as follows:

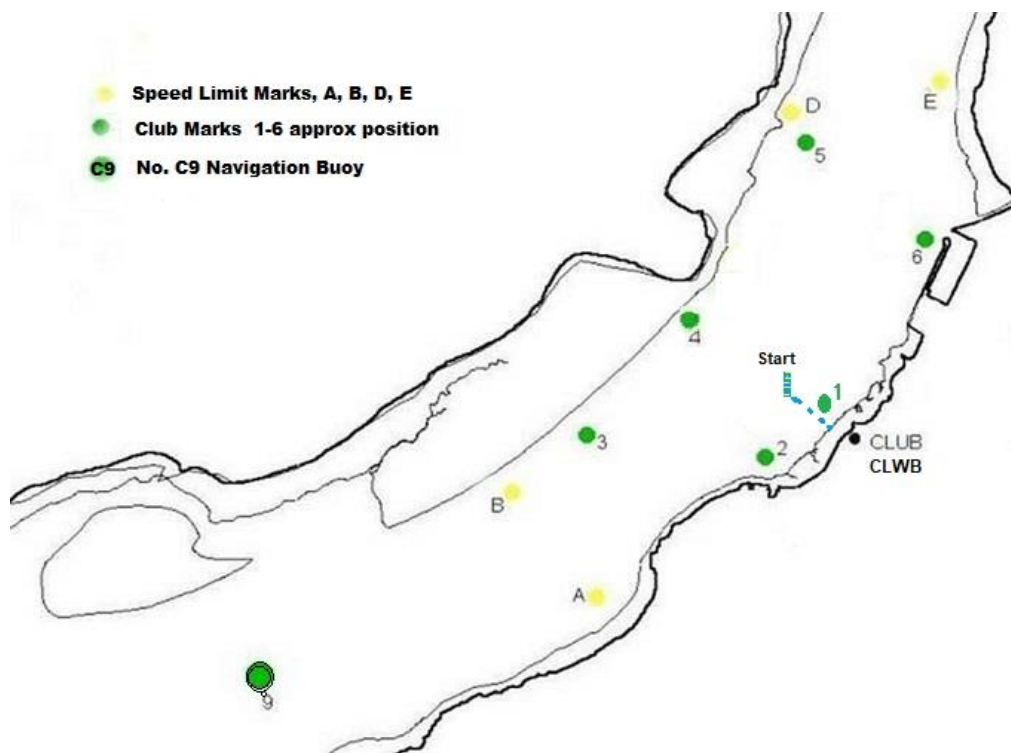

The finishing line will be the position of the leading boat at the time limit. The position of all boats will be taken by the RO. If the race finishes out of sight of the RO, competitors are asked to remember their relative positions with respect to other boats, to assist in compiling results.

13.0 TIME LIMIT

13.1 The time limit will be posted on the official noticeboard.
